## GB ATTENTION!

We recommend use of the THULE short roof line adaptor (SRA) part no. 1061-000-2 for two door vehicles with restricted roof area , such as sports coupes etc. Designed exclusively for the THULE 1061 system to maximise carrying capacity and versatility by spreading the bars equally so that loads such as sailboards, bicycles and small craft can be secured easily. Ask your THULE dealer for more details.
